BOERHAVE'S HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR DYSPEPSIA, DISEASE OF THE KIDNEYS, LIVER COMPLAINT,

WEAKNESS OF ANY KIND, FEVER AND AGUE, And the various affections consequent upon a disorder STOMACH OR LIVER, ICH AS Indigestion, Acidity of the Stomach, Colicky D Pains, Heartburn, Lors of Appetire, Despondency, Costiveness, Blind and Heeding Piles. In all Nervous Rheu-

matic, and Neura'gic Affections, it has, in numerous in-stances, proved highly beneficial, and in others effected a This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged. It is particularly recommended to those persons whose estitutions may have been in poired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its war directly to the seat of life, thrilling and quickwning every nerve, rais ing up the drooping spirit, and, in fact, infusing new health and vigor in the system. NOTICE.—Whoever expects to find this a beverage will

he disappointed; but to the sick, the weak and low spirited, it will prove a grateful aromatic cordial, possessed of sin-CAUTION. The great popularity of this desightful aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Helland hitters a fair trai.
